Another Industry For Lowell Junction Area

Another industrial firm has indicated its intention to locate within Andover's industrial areas.

Harris Environmental Systems, Inc. of Winchester has discussed with the Industrial Development Commission its plans to locate a 37,000 square foot building in the Lowell Junction area, adjacent to property now developed by Wyeth Laboratories.

Philip Hunt, president and treasurer of the firm, currently based in Winchester, said this week that construction of the new facility would probably get underway around the first of the year.

The company, in operation since 1940, manufactures insulated enclosures,

producing them for hospitals, cold rooms, incubators, and wherever controls are necessary for high and low temperature and humidity.

The company now employs about 60 people and anticipates the possibility of an increase to 75 with its new Andover facility.

Dr. Lawrence Spiegel, chairman of the Andover Industrial Development Commission, said that he anticipates that the company will make application for funding for construction of the new building through the newly created Industrial Development Financing Authority (IDFA). The IDFA is a local agency which processes

Development Director Appointed

Rys G. Kear, 30-year-old deputy director of planning for the city of Virginia Beach, Va., has been named director of Andover's new community development department.

Kear, who is serving as chief of the comprehensive planning division of the Virginia Beach agency, will assume his duties here about Nov. 13 at a salary of \$23,942.

The appointment by Town Manager Jared S.A. Clark, was confirmed by selectmen Tuesday night.

Kear and his family were in Andover this past weekend and have initiated the process of relocating here.

The new agency, created by Town Manager Clark, is to co-ordinate the agencies concerned with the town's growth. He will oversee the inspections divisions of the town, work with the planning board, health department, conservation commission, development and industrial commission, and zoning board of appeals.

It is the only new position created through the forming of the new agency, Clark points out.

Kear's initial responsibility will be to create a flow chart for the permanent approval process for developers in obtaining the various grants pertinent to new construction.

Clark said that with the new director,

hopefully by the next construction season, the permit process will be more orderly and less frustrating for both the town agencies and developers. The overall work of the agency, should improve the quality of housing in Andover, the manager said.

The director will also be working with the planning board in the development and updating of the comprehensive plan for the town.

There were 85 applicants for the position.

Married, Kear and his wife Susan have two children, Emily, seven and Gordon, three.

Born in Washington, D.C., Kear received a B.A. degree from Ohio University in 1970 and a master's degree from Rutgers in 1973.

From January, 1972 to June of 1973, he was employed as a planner for M.S. Emanuel Associates, community planning and renewal consultants, in Nyack, N.Y.

Prior to being named to the deputy position in Virginia Beach, he was employed as a senior planner, chief, planning division, of the Environmental Assessment Council, Princeton Aqua Science, New Brunswick, N.J.

In his present position, Kear is responsible for comprehensive land use planning,

Industries Add To Properties

Additions for current industrial tenants in Andover topped building permits for September, with Raytheon adding a boiler room at an estimated cost of \$500,000 and Hewlett-Packard Co. adding a garage at a probable cost of \$137,000.

Total of all permits issued during September was \$1,486,175, with \$722,000 of that total for 16 new homes. Fees collected during September totalled \$7,495.

New dwellings: Belmont Development Corp., Windemere Drive, five permits, \$42,000 each, one at \$32,000 and one at \$38,000; J.V. Realty trust, 26 Cameron Road, \$50,000; Raye Homes, Inc., 69 Algonquin Ave., \$47,000; Andover Meadows Corp., three permits for Dascomb Road, \$50,000

LWV Units Focus On Warrant

The Observer Corps of the Andover League of Women Voters will present a series of units next week on the warrant articles for the Fall Town Meeting.

The public as well as League members are invited to attend the units which will provide information on such points as half million dollars for construction of water mains in Shawheen Village area; \$500,000 bonding article for Town/School computer needs; formation of a study committee for commuter rail service; County assessment for funding of Essex Agricultural; Zoning by-law amendments dealing with horse stabling, noise control, cluster zoning, lot area, and "Life Care Facility" for Abbot Academy; plans for relocation of the regional library; Mosquito control.

The meetings will be held Oct. 16 at noon, at the home of Janet Lake, 22 Greenwood Road; Oct. 17 at 9:15 a.m. at the home of Susan Redgate, 10 Rose Glen Drive; Oct. 19 at 7:45 p.m. at the home of Linda Carpenter, 2 Brentwood Circle.

A 40 to 1 longshot, "Nickel Coin," won the Grand National Steeplechase in 1951 after being trained on a diet of duck eggs and beer.

Donates Car

Computer Advisory Meeting

The Computer Advisory Committee will conduct a pre-town meeting advisory session tonight at 7:30 in the conference room at the water treatment plant.

The session is designed to provide information to interested residents on the proposed acquisition of new data processing equipment for the town and school departments.

Details of the proposals to be presented at the Oct. 23 town meeting will be explained, according to Assistant Town Manager Sheldon S. Cohen.

An article in the town meeting warrant seeks funds for the purchase of the systems for both the town and the school departments.

Life Care Proposal To Be Explained

The proposed use of the Abbot Academy campus by Life Care Services of Iowa, will be explained at a public meeting scheduled for 7:30 p.m. Tuesday, Oct. 17 at Kemper Auditorium, Phillips Academy.

Representatives of Phillips Academy and Life Care Services will be present to answer questions

and listen to concerns in order to provide as much information as possible prior to the Oct. 23 town meeting.

Voters will be asked at the meeting to approve a bylaw change to allow Life Care to develop its retirement community concept on the former Abbot campus.

Schoolhouse Road Gets Conditional Approval

Selectmen Tuesday night gave conditional approval to the acceptance of Old Schoolhouse Road and disapproved acceptance of Alonesos Way.

The approval for Old Schoolhouse Road was conditioned on the developer meeting all town requirements by Oct. 20 at which time selectmen will view the

property and make recommendations to the Oct. 23 town meeting.

Alonesos Way was disapproved because the director of public works felt there was too much work yet to be completed before town standards for utility and streets could be met by the developer.

Discontinuance Of Two Streets Protested

Discontinuance of portions of Sunset Rock Road and Tucker Road, proposed by selectmen for town meeting consideration, ran into objections from abutters at a hearing Tuesday night.

Sunset Rock Road residents felt that there would be considerable damage to their properties resulting from the town abandoning a certain section of the road.

Town Manager Jared S.A. Clark said the town does not intend to abandon any portion of the road which has existing houses. Intent of the discontinuing of the roads in all cases is to prevent developers from constructing new dwellings on un-

developed roadways, then having the owner be forced to finish and maintain the streets.

On Tucker Road, one house, which actually is in North Andover, would be effected by the discontinuance and would result in the owner being responsible for maintenance.

Selectmen will make recommendations at town meeting on the proposed discontinuance. Tuesday night, the board decided to confer with counsel on what possible damages might be effected by the abandoning of the roads as public ways.

Shaker Director To Speak

The story of the Shaker movement and the restoration of their village in Canterbury, N.H. will be the subject of the Andover Historical Society's first fall meeting to be held Thursday, Oct. 19 at 8 p.m. at the Blanchard House, 97 Main St.

The speaker will be Charles Thompson, historical director for Shaker Village. Before going to the Shakers in search of unusual, unpublished American music two decades ago, Thompson was Singing Cowboy on station WMEX in Boston, sang in a country-western duo as Bud and Babs and toured the country as the Singing Troubadour. He is not a Shaker.

The Shaker movement began in 1774 when Ann Lee and eight followers arrived from England and settled in New York state. Nineteen Shaker communities were established. Based on principles of early Christian living, members of these communities devoted their labor to the common good. They were leaders in industry, invention and agriculture and were noted for the simplicity of their architecture and furniture. The original barn in Canterbury, south of Laconia was built in 1856.

Shaker Village has been declared a national historical site. It was one of America's greatest experiments in Christian utopian living.

Concert Of Spanish Folk Songs

On Monday, Oct. 16, at 11 a.m., in the Cochran Chapel, the Music Department of Phillips Academy presents "Gaudeamus," a chorus of students from the Universidad Complutense of Madrid

and the Madrid Conservatory of Music. This is their first concert tour in the United States, which will begin in New York with a concert in St. Patrick's Cathedral and continue on to Connecticut, Massachusetts, and Vermont. This will be followed by a tour through Canada.

They have performed on Spanish radio and television and at the Music Festival in Avila, Spain, and have toured throughout Germany and Austria. "Gaudeamus" is directed by Justino M. Garcia del Vello

and Jose Perez Rodriguez.

The program on Monday will include Spanish polyphonic music of the 15th and 16th centuries and a number of Spanish folk songs.

There is no admission and the public is invited to attend.

Andover High Notebook

By Renee Pruneau

The 1978-79 school newspaper, Imprint II, has started its first edition. Reporters and photographers are out now getting their stories. This year's newspaper promises to be larger and more informative than ever before, thanks to the enthusiasm shown by the A.H.S. students. This year the talent and support is there, what is lacking is, as last year, the funds to print the paper. The business section is currently working on getting advertisements for the newspaper. It is hoped that with this money they will be able to pay for the printing, if not enough is raised then the paper will have to be greatly cut down, or totally stopped. It is hoped that this will not happen.

Editor of the Imprint II is Stacy Zedar, assistant editor, Gwen Factor; layout editor, Laura Foley; sports editor, Rich Krishfield; co-copy editors, Suzette McConnell and Elise Pyun; art editor, Robyn Parker; political editor, Renee Pruneau; news editor, Renee Sanft; business editor, David Shrestinian; events

editor, Katie Tremblay; focus editor, Tracy Valline; feature editor, Paige Whitley.

The Andover High Band has started its season with its usual finesse and great music. The band is unusually large this year thanks to the number of sophomores who have joined.

This year there is an added sparkle, a baton twirler, Wanda Reid has joined the ranks of the blue and gold marching band. The band majors for this year are Greg Roche, Nancy Ingram and Bob McKinley. They lead the band during its formations and songs. The band parents who week after week attend the football games, bring

ing with them cookies, cupcakes, brownies and other assorted 'Goodies' for the members, and themselves, deserve to be mentioned as they, along with Mr. Gracefa, band director, are the backbone of the A.H.S. band.

Two weeks ago cheerleading tryouts were held at West. Ninth grade cheerleaders are: Maribeth Hayes, Mary Beth DeLuca (captains), Carole Balin, Jackie Cropper, Patty Messersmith, Pam Kennedy, Betsy Hildebrandt, Maura Keegan, Anja Grant and Lori Garabedian. Alternates are Leslie Crotch, Allyson Rollenhagen, Michelle Gildea and Julie King.

Eighth grade cheerleaders were also chosen. They are Lisa DeLuca, Jackie Collins, Lillian Wong, Wendy Acciard, Harriet Jamkochian, Angela Coon, Kathy Ainsow, Sue Lilly, Dorothy McKew, Lisa Concerni, Donna O'Brien, and Suzanne Tisbert.

In football, our freshmen team had their first game Friday against Chelmsford. West was victorious with a score of 12-10. Russell Lewis and Ted Kelley scored West touchdowns.

Our girl's field hockey team is doing well with a 3-2 record. Our first game against Methuen was a victory for West. In our second game, against East, we lost 2-0. Our most recent game, with Methuen, was another victory for our team. Elise Balbone scored in a 1-0 game. In our second game, against Chelmsford, Beth Caswell scored in a 1-0 win over our opponents. We lost to Billerica 2-1 with Beth Caswell scoring our only goal.

Outing Club activities are underway at West under the supervision of Mr. Taylor, Mr. Darrin, and Mr. Staples. The club took their first trip Sept. 22 to Mount Washington. They left after school on Friday. Saturday morning they climbed Mount Washington. It was an enjoyable but exhausting experience. Overall, everyone participating in the trip had a good time.

Friday, Sept. 29, was our first all school dance. It was held in the school cafeteria. Strobe lights along with blue and gold crepe paper added a touch of class. Everyone enjoyed the dance. It was especially nice to see the seventh graders there.

Anniversary Observance

A discussion group which began with only a couple of members a year ago at Andover Haven, observed its first anniversary with a luncheon last week. Seated with Harry Butler, are from left, Mary Flynn, Mildred Norse, Margaret Hatch, Jessie Kinnean and Celia Lebowitz. Standing, Ola Coleman, Ruth Maloney, Grace Decker, Marion Swenson, Del Schlott, Gabriel Boulaise, Cecil Gagne, and Ruth Demers.

East Junior High Happenings

By Karen Jo Giammusso

East Junior High students enjoyed their first long weekend of the school year this past weekend.

The girls' field hockey team has been doing really well this year. They won against Chelmsford 3-0 with Patty McGann and Kathy Kinsella playing excellently for East.

The freshman football team was scheduled to play last Friday but was cancelled due to poor weather. The eighth grade football team was defeated by the Kane School of Lawrence.

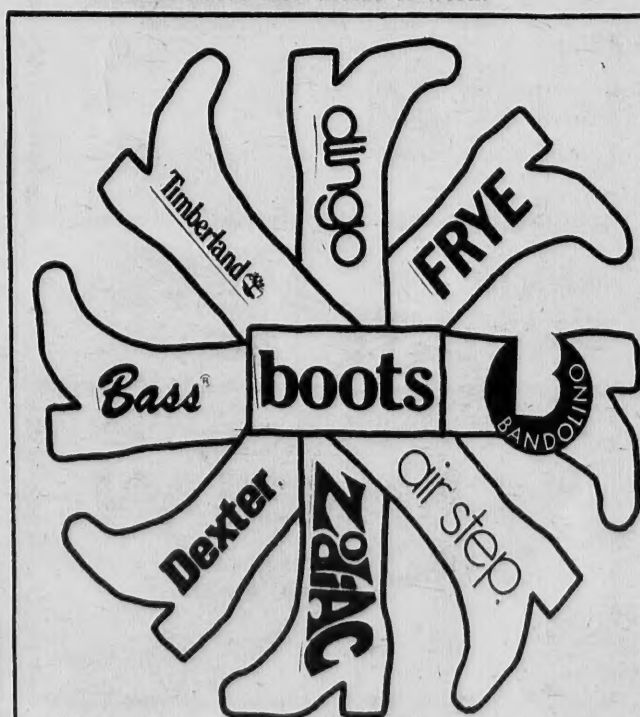

The student council is trying something new this year. At all home football games hot chocolate and doughnuts will be sold. The student council is also selling "Warrior" buttons and are aiming to have everyone show their support for the school teams with 100% wearing buttons by the end of the week.

The first issue of East's student newspaper will come out sometime in late October. Editors this year are Jennie Cafrey and Karen Jo Giammusso. Advisors are Mr. Daley and Mrs. McCormick. The first meeting of the yearbook staff was held Tuesday. Mrs. McCormick is faculty advisor.

There is a new item at East this year. Located in the library, it is called the Terminal. Miss Harms, Career Ed specialist, will teach anyone interested how to

operate the "Terminal" which is a computer. The computer reads out job possibilities and descriptions according to interests and abilities. The student punches in the information requested on what looks like a giant typewriter.

Last Friday was a career day for the seventh grade students. A hearing aid specialist, a businessman, an engineer, travel agent and a representative from the firm who makes "Nerfs" spoke to the students about their fields of work.

Special Open House At Shawsheen

On Tuesday evening, Oct. 17, the Shawsheen School Faculty and PTO are planning a unique "Open House."

In order to provide parents with an opportunity to see the actual instructional program in action and to see their children

interact in a learning situation, a "mini-night-school" will be conducted between 6:30 and 8 p.m. for children in grades one through six.

During the evening parents will see Reading and Language Arts, Math, one

specialist and possibly Social Studies or Science being taught and will be able to participate in a short question and answer period with the teachers in each grade.

All Shawsheen School families are urged to attend, the only requirement being that

children must be accompanied by one or more parent(s) and parents must be accompanied by one or more children.

At Hood

Aileen Marie Dowrick, daughter of Mr. and Mrs. John L. Dowrick, Jr., of Andover, is enrolled in the freshman class at Hood College, Frederick, Md.

Announcing the Great Dress a Doll...help a tot contest!

If you've ever wanted to help a needy child, but didn't know how to go about it, here's your chance.

Most of us would like to make the world a little better place to live in. Not all of us can afford to donate money, but many of us know how to use our hands. . . we can sew, knit, crochet. There's a little bit of designer in all of us. . . and that's all you need to have lots of fun, and make a little tot's Christmas merrier.

HERE'S ALL YOU HAVE TO DO:

1. Visit any one of our conveniently located offices beginning October 9 and ask for one of our 16 inch dolls. . . they're FREE!
2. Take her home and put your talents to work and let your imagination flow.
3. Return the dolls by November 10. They will be displayed and judged by both the public and an impartial panel as to the best dressed in one of 4 categories: Original Design, Knit and Crochet, Fancy Dress, Historical Dress.
4. The winners will receive cash prizes. Then the dolls will be sold at auction. . . and here's the best part. . . all proceeds from the auction will go to help make Christmas a little merrier for a needy tot. So, make a point to visit Andover Bank today (you don't have to be a customer to participate), pick up your doll and join our Great Dress a Doll. . . Help a Tot Contest.

DRESS A DOLL. . .HELP A TOT CONTEST RULES:

1. Pick up a doll at any office of Andover Bank starting October 9.
2. Register for contest.
3. Design and make an outfit for the doll in one of the 4 categories: Original Design, Knit and Crochet (any costume made by knitting or crocheting), Fancy Dress, Historical Period.
4. Return doll by November 10. Four cash prizes will be awarded in each of our offices for the winning doll in each category.
5. A Grand Prize will be selected by the public and awarded to the doll judged best of all in each office.

After dolls have been on exhibit and judged, they will be sold to the highest bidder on December 2. The Auction will be at our Main Office, 61 Main Street, Andover. All proceeds will go to childrens' charities to help make Christmas a little merrier for a needy tot.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of a power of sale contained in a certain mortgage deed given by DANIEL F. CARR and EUNICE CARR to HOME OWNERS FEDERAL SAVINGS AND LOAN ASSOCIATION, a United States corporation, doing business in Boston, Suffolk County, Massachusetts, dated February 11, 1976 and recorded with Essex North District Registry of Deeds in Book 1276, Page 295, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction, on the premises, on Tuesday, the 24th day of October, 1978, at 11:00 o'clock in the forenoon, all and singular the premises conveyed by said mortgage deed, namely:

"Condominium Unit No. 83 (the Unit) in the Condominium known as Village Green Condominium at North Andover (the Condominium), situate at Northwestern side of Chickering Road, North Andover, Mass. created by a Master Deed (the Master Deed) dated April 27, 1973, recorded with the Essex North Registry of Deeds in Book 1217 Page 609.

The Unit is more particularly described (1) in the Master Deed (2) such site and floor plans as have been recorded or filed therewith, (3) in the first Unit Deed thereof and (4) copies of portions of such site and floor plans filed therewith. The Unit is conveyed together with an undivided .7937% interest in the common areas and facilities of the Condominium and the same .7937% interest in the Organization of Unit Owners known as Village Green at North Andover Condominium Trust (the Unit Owners Organization). The Unit and said undivided interests are together hereinafter referred to as the Mortgaged Premises.

The Mortgaged Premises are conveyed subject to and together with the benefit of (1) the provisions of Chapter 183A of the General Laws (Ter. Ed.) of the Commonwealth of Massachusetts, (2) the provisions and matters set forth and/or referred to in the Master Deed, (3) the provisions of the instrument creating the Unit Owners Organization and the By-Laws thereunder as recorded or filed with the Master Deed and such Rules and Regulations as may be promulgated thereunder and (4) the provisions set forth and referred to in the Unit Deed of Robert A. Keezer, et al, Trustees to Mortgagor to be herewith recorded with said Essex North Deeds, to which Unit Deed reference is herein made for the title of Mortgagor.

The post office address of Unit 83 is 26 Village Green Drive, North Andover, Mass."

This conveyance includes all attached floor and wall coverings and other improvements, stoves, sinks, shades, screens, storm windows, plumbing, gas and electric fixtures, and, if built in, refrigerators, dishwashers, disposals, washing machines and driers, and any and all other fixtures and equipment now or hereinafter placed on or in the Units insofar as the same are, or can by agreement of the parties be made a part of the realty.

Said premises will be sold subject to any and all unpaid taxes, tax titles, assessments and municipal liens, so far as the same may legally exist.

FIFTEEN HUNDRED (\$1,500.00) DOLLARS will be required to be paid by bank or by certified check at the time and place of sale, when the other terms of sale will be made known.

Gardeners Walk Trail

The Four Seasons Garden Club is meeting today and walking the trail developed by its conservation committee.

The area is owned by the Andover Conservation Commission and is located between Poms Pond and the Shawsheen River. The trail leads through a variety of woodland areas including an impressive stand of white pines. Habitats of the marsh, river and woodland are encountered. Native wildflowers are abundant and varieties of ferns and mosses are seen along the way. At one point the trail ascends a knoll and commands a fine view of the marsh where waterfowl activity can be observed.

The guide booklet is primarily designed as a teaching aid for adults accompanying elementary aged children. It employs the Audubon approach of questioning and encourages observation and awareness of the environment. Markers along the trail

correspond to information in the booklet.

The Garden Club makes the booklet available free of charge as a community service project. They are available at Memorial Hall Library (children's room), Girl Scout office, Andover Conservation Commission office and the Boy Scout office in Lawrence.

After a short business meeting, refreshments were served at the home of Mrs. Warren Oldaker, 112 Wild Rose Drive, Andover.

Mr. and Mrs. Garrett T. Lynch

Lynch - Otto

At home in Jacksonville, Florida, are Mr. and Mrs. Garrett T. Lynch, who were married August 19 in an 11 a.m. service at Christ Church, Andover.

The bride is the former Robin Jean Otto, daughter of Mrs. Shirley R. Nixon, 23 Vine St., and the late Edwin G. Otto, and stepdaughter of the late Thomas W. Nixon.

Her husband is the son of Mr. and Mrs. Edward M. Lynch, Jr., 31 Wild Rose Drive.

The Rev. J. Edson Pike officiated at the ceremony, and Tami Rauh of Effing, N.H., the bride's cousin, provided wedding music.

Given in marriage by her mother and her brother, Thomas A. Nixon, the bride wore a gown of white silesta with an accordin-pleated skirt and high neckline, and trimmed with Venice lace. Her matching headpiece was of imported illusion with appliques of Venice lace and seed pearls, and she carried a cascade of white miniature carnations, stephanotis and peach roses.

Sue Ann Otto of Hollywood, Calif., attended her sister as maid of honor, wearing a mint green gown with matching floral cape, and carrying a cascade of peach and mint green carnations and poms with baby's breath.

Wearing matching gowns in peach, with mint green cascades of carnations, were the bridesmaids, Ann Igoe and Carol Connor of Andover, Linda Perron of Lowell and Kari Lygren of Milton Mills, N.H.

Kristina Williams, the groom's niece,

was flower girl, wearing a gown of white eyelet lace and carrying a nosegay of white miniature carnations and peach roses.

Todd A. Nixon, the bride's nephew, was ring bearer.

The groom was given in marriage by his parents, and his brother, Michael Lynch of Largo, Fla., served as his best man. Ushers include another brother, Edward M. Lynch III of Beverly; William A. Twigg of Elkin, N.C., the groom's brother-in-law; John McEvoy of Lawrence and Russell LaBarre of Andover.

A reception followed at the Lanam Club in Andover, and the guest book was attended by Tracey Rauh of Epping, N.H., the bride's cousin, and Kirsten Lygren of Milton Mills, N.H.

The new Mrs. Lynch, a graduate of Andover High School, received her associate degree in early childhood education from Northern Essex Community College in June. Her husband, a graduate of Lawrence Vocational School, presently is serving in the U.S. Navy.

Andona Ball Is Nov. 4

The Andona Society will hold its annual ball on Saturday, Nov. 4, at the Andover Country Club.

Mrs. Jennifer Rogers and Mrs. Pat Scarborough, co-chairmen for the gala event, have announced that a light buffet with hot and cold hors d'oeuvres will be served throughout the evening with dancing from 9 to 1 o'clock to the music of the popular band of Allan Minkinen and his Versatones.

Assisting in plans for the evening are

Mrs. Carol Gable and Mrs. Anne Fuchs, door and invitations; Mrs. Susan Schwartz and Mrs. Janet Caiati, refreshments; Mrs. Peggy Asoian, decorations; Mrs. Paula Brodie, finance; and Mrs. Elke Kappeler, publicity.

The public is welcome to attend and reservations may be made by contacting Mrs. Anne Fuchs, 34 Clark Road.

Proceeds from the dance are used to assist the youth of Andover.

November Club Tea Monday

The officers and board of directors of the November Club will entertain members and their guests at a tea Monday, Oct. 16, from two to four o'clock at the clubhouse on Locke Street.

This revival of a traditional housewarming celebration, formerly observed by the club for many decades, will commemorate the 87th anniversary of the November Clubhouse.

Mrs. Donald Amy of Bradford, noted artist and past president of November Club, has donated an original oil painting to the group. This work will be displayed in Andover for public viewing. Tickets will be available throughout the coming months, and the name of the fortunate winner will be revealed at the February meeting. All

proceeds are to be used for the restoration and preservation of the clubhouse.

Mrs. Robert Vador and Mrs. John Bangert will greet the guests. Mrs. Charles Currier and Mrs. Raymond Lavin will preside at the tea table.

Membership Luncheon

The sisterhood of Temple Emanuel will hold its annual membership luncheon on Tuesday, Oct. 17.

A stimulating and informative skit entitled "Seven Ages of Women," has been planned by the Widening Opportunity Research Center — Women In Search of Self.

Anyone interested in more information, contact the Temple Office.

Guest Artist

Michael Russo, a distinguished painter and leading figure among Boston's visual artists, will be the featured guest at a special weekend program at the Museum of Fine Arts that will pay homage to older artists. Titled An Autumn Arts Celebration: Focus on Older Artists at Work, The three-day program will take place Oct. 13 through 15 and offer lectures, slide talks, and a film honoring artists

Mr. and Mrs. Thomas J. Daze

Daze - Kleschinsky

Susan Irene Kleschinsky, daughter of Mr. and Mrs. William Kleschinsky, 65 Cross Street, Andover, became the bride September 30 of Thomas Joseph Daze, son of Mr. and Mrs. William Daze, Jr., of Santa Monica, Calif.

The Rev. Jon Martin officiated at the 1 o'clock nuptial Mass at St. Robert's Church. Donald Harrison was organist and Joyce Nison provided vocal music.

Given in marriage by her parents, the bride wore a long gown she had made herself of ivory Quiana, with lace trim on the bodice, long sleeves and skirt. She also made her ivory finger-tip mantilla, and she carried a bouquet of white orchids accented with stephanotis.

Anne Kleschinsky of Andover attended

her sister as maid of honor, wearing a floor-length gown of floral print on ivory, with long sleeves, V-neck and tie back, made by the bride's mother.

Bridesmaids included another sister, Mrs. Diane Sheldon of West Suffield, Conn., Paula Lewandowski of Garfield, N.J. and Nancy Keller of San Antonio, Tex. They wore long gowns in deep pink, and carried bouquet of mixed flowers.

Lisa Kleschinsky, the bride's youngest sister, was junior bridesmaid, wearing a gown identical to the maid of honor's.

Charles Snow III of Kernersville, N.C., was best man and ushers included James Daze of Los Angeles, brother of the groom; John and William Kleschinsky of

Andover, brothers of the bride; and Michael Schwehr of Hollywood, Calif.

A clam bake reception followed the ceremony at the home of the bride's parents, and the couple took a wedding trip to the Virgin Islands.

The new Mrs. Daze, a graduate of the University of Maryland, is a U. S. Army Nurse, with the rank of first lieutenant, stationed at Ford Ord, Calif. Her husband, a graduate of the U. S. Military Academy at West Point, is a captain in the U. S. Ar-

my, and is an artillery battery commander.

They are making their home in Monterey, Calif.

A funeral Mass was offered at 10 a.m. at St. Augustine's Church. Burial was in Spring Grove Cemetery.

Memorial contributions may be made to an educational fund established for the Canavin children, 17 Olde Berry Road, Andover, 01810.

Pike Begins 53rd Year

On Sept. 12, Headmaster David A. Frothingham greeted 354 students reporting for the first day of classes at Pike School.

The Pike School, founded in a private home in 1926, has grown to be a regional day school on a 30-acre campus with a student body comprised of children in classes from nursery through the ninth grade. Students attending the school come from virtually every community of the Greater Merrimack Valley and other surrounding areas.

In addition to greeting the returning students Headmaster Frothingham also welcomed the following new faculty members.

Martha M. Pline comes to Pike from New Bedford, where she has been a teacher and then Director of Music in the Acushnet Public Schools for eight years. She is a magna cum laude graduate of MacMurray College, and took courses at Washington University. Ms. Pline has been involved with teaching music to children for more than fifteen years, and she brings a wealth of experience to the music program in the Lower and Middle Schools.

Mary Ellen Gurry is a resident of Andover, where her husband is on the Phillips Academy faculty. She is a graduate of Wheelock College, where she majored in elementary education. Mrs. Gurry has been a house Counselor at Phillips Academy and is certified to teach in both Massachusetts and New York. She will be assisting in the Lower School.

Janette Hannah is a graduate of the University of Edinburgh, with degrees in both geography and education, and has a teaching certificate from Moray House College. Mrs. Hannah is currently a house counselor for a girls' dormitory at Phillips Academy, where her husband is on the

faculty. She will be teaching science in the Lower School.

Scott L. Smith graduated from Andover High School. He studied math and psychology at Colby College, where he was a member of the National Honor Society. Mr. Smith brings to Pike a great variety of interests and talents plus a real commitment to working with children at our Upper School ages. He will be teaching math in seventh, eighth and ninth grades, and will have an eighth grade homeroom.

Mark W. Sheehan graduated from the University of Massachusetts at Amherst, where he studied science and philosophy. He has coached baseball and soccer, and will be an active participant in the Pike physical education program. Mr. Sheehan will be teaching sixth and seventh grade science.

John F. Latta, Jr. is a graduate of Fitchburg State College where he has earned his Bachelor of Science degree in Education. Mr. Latta has had a verity of teaching and coaching experiences and will be working with the Middle School science and physical education classes.

Co-Ordinator For Hatch

Laura Hughes, a junior at Phillips Academy, has been named Youth Coordinator of the Hatch for Governor Committee for the Andover Area, according to an announcement today by Richard E. Mastrangelo, Hatch campaign manager.

Laura, who resides at 21 Phillips Rd., Andover, and is the daughter of Mr. and Mrs. Frederick S. Allis, will collaborate with other Youth Coordinators in Massachusetts in efforts to elect House Minority Leader Francis W. Hatch, Jr. (R-Beverly) to the gubernatorial post.

Free Concert

The New England Conservatory Symphony Orchestra, conducted by its music director, Larry Livingston, will open its 1978-79 season with a free concert in Jordan Hall on Wednesday, Oct. 25 at 8 p.m.

The performance will include Mahler's Fourth Symphony and the "Rienzi Overture" by Wagner.

Guest soloist will be Jan DeGaetani, mezzo-soprano and member of the NEC faculty.

Thank You

I wish to express my grateful appreciation to all who helped and supported me at the time of my husband's death.

Parker Re-Enactment At Church Sunday

Theodore Parker, the 19th Century Unitarian Minister, who was considered to be an embarrassment to many Unitarians and a heretic to many others, will make a re-appearance on Saturday, Oct. 14, at 8 p.m. at the Unitarian Universalist Church, 244 Lowell St., (Rte. 133), Andover.

Through the artistry of actor Red Watson of Concord, Theodore Parker will once again take the pulpit and expound some of his views on religion, marriage government, society, women, men, and more. Between the carefully researched costume/cosmetic portrayal and the selected writings of Parker, the audience should be able to make some decision for themselves about whether this man was, as claimed, either "the devil himself" or

"a great American saint."

At the time of his ministry, Parker was shunned by all the major Unitarian Churches in Boston for his "unorthodox" views on religion needing to be a potent social force for good of all people; without a church pulpit, he established a "peoples" church at Boston Music Hall, where his congregation often numbered in the thousands. While not welcomed by many churches in other cities, his traveling lectures would usually draw thousands as he spoke in most New England communities.

The Evening with Theodore Parker is open to all, with nominal charge; a reception for the actor will follow. More information is available from the church.

church repairs fund. The menu will consist of ham, beans, potato salad, cole slaw and relishes and for dessert apple crisp.

Tickets are available at the church office or at the door.

The first Ford

automobile had to wait over an hour for its first test run, since it was built in a shed and was wider than the shed door.

Special Speaker Sunday

Jeff Fritz, staff member of Jews For Jesus, will be the special speaker at Andover Baptist Church, Sunday, Oct. 15, at 7 p.m.

Mr. Fritz was raised in a Reform Jewish home on Long Island. Soon after his bar mitzvah, he came to the conclusion that God did not exist and became an atheist. In 1972 he was challenged to investigate the claim that Jesus is the Messiah. Fritz came to the realization that this was true based on Jesus' fulfillment of specific prophecies of the Messiah found in the Old Testament. In August, 1974, he left his job as an announcer and chief engineer for a West Virginia radio station to become a

Selectmen Respond To Tax Cap Legislation

The ANDOVER TOWNSMAN

The Second Front Page

OCTOBER 12, 1978

Noise Bylaw To Be Deferred

A proposed bylaw dealing with noise abatement, scheduled for action at the October town meeting, will be withdrawn and presented again at the annual town meeting.

Selectman Edward M. Harris, proponent of the bylaw, said this week that he would withdraw the article on the floor of town meeting, which will permit time for additional preparation and afford the town the opportunity to take advantage of assistance from the Environmental Protection Agency (EPA).

Harris said he had prepared the article in response to concerns about noise in the community from motor vehicles, particularly on major highways entering Andover.

A review of the noise abatement bylaw gave the impression that enforcement would cause additional expense to the town, some finance committee members felt.

Harris said that it was not his intent to add financial burden to the community, simply provide some regulatory devices to curb excessive noise at various times of the day and night. A bylaw would permit posting of signs at entrances to town notifying of the presence of regulations with regard to noisy vehicles. Also, it could assist in such problems as switching of freight cars late at night, a problem which occurred recently in the Shawsheen area.

Since he and the Town Counsel Alfred S. Daniels reviewed the article to be presented to town meeting, Selectman Harris learned of the availability of monitoring devices available from EPA and other assistance which can be provided from the federal agency.

Harris decided that with such assistance, a delay to the annual town meeting would be in order, thus allowing for a more effective presentation at that time.

In view of growing trends toward tax cap legislation, or the Proposition 13 fever, selectmen this week adopted a policy proposal to be forward to the Mass. League of Cities and Town and Mass. Taxpayers Foundation.

Basically, the policy points out the dangers if any tax cap legislation which would jeopardize municipal services in the areas of public works, recreation, library, human services and general services.

Town Manager Jared S. A. Clark, who drew up the policy proposal for selectmen, pointed out that efforts toward tax cap legislation can be beneficial, if the lessons learned produce effective management of communities.

"The mistake that can be made is in not learning how to manage local government and make it more efficient," Clark said as he noted that much of the tax burden in local communities are now mandated by state, federal and county agencies.

Communities are obligated to pay binding arbitration settlements through legislative dictate, the manager points out. There is also erosion of municipal immunity with regard to damages which could result in towns paying more for damages than for improvements.

Fiscal autonomy of school districts is beyond the control of local taxpayers, thus no reduction in costs can be exercised there. The same applies to existing levels of debt service, in which local taxpayers must meet the annual interest and bond payments.

The effect of any tax cap legislation, therefore, would be in areas such as public works, library or recreation, and a serious impairment of municipal services would be required in those areas.

Clark also points out that it is not enough to just deprive local government of revenues through such legislation, but laws should be enacted to allow government to be more effective.

Massachusetts laws dictate that towns and cities provide an adequate surplus to meet unanticipated needs. Such uncommitted cash balances could be reduced by allowing transfer of funds from one department to another where necessary or to meet emergencies, or alter priorities.

As for this problem in Andover, Clark said he intended to propose that such transfers from one department to another be accommodated with the approval of the selectmen and finance committee, thus eliminating the need to carry large cash surpluses annually.

School departments in the Commonwealth are afforded this privilege, thus general government should likewise be able to adjust where necessary.

The manager also points to the "highly bureaucratized civil service system," as presenting financial burdens to communities. While testing and employment of personnel needs to conform to standards, civil service does not meet modern municipal needs.

"The problem of serving complex needs in a complicated society won't go away," Clark said, as he emphasized that the real need is to learn how to manage local government and make it more efficient.

The policy proposal adopted by the selectmen Tuesday night reads, in part:

A cap on local taxing ability should be placed only on expenditures over which local decision-making boards can exercise discretion. Those expenditures mandated

upon municipalities by the federal, state or county government; those programs or activities mandated but only partially funded by the State government; spending mandated by an autonomous agency given statutory authority to compel municipal expenditures such as adverse court rulings due to the erosion of municipal immunity, binding arbitration settlements, fiscal autonomy for school departments, court ordered school busing programs and so forth should all be excluded from the tax cap.

The ability to pay all debt service expenditures should also be guaranteed to prevent a rise in municipal borrowing costs. As an example, debt service expenditures for strictly capital improvements funded under general obligation bonds should be exempted from the tax cap. This should be particularly true of capital expenditures mandated by other governmental agencies, e.g. sewer system improvements, water system improvements, capital expenditures for solid waste disposal, etc.

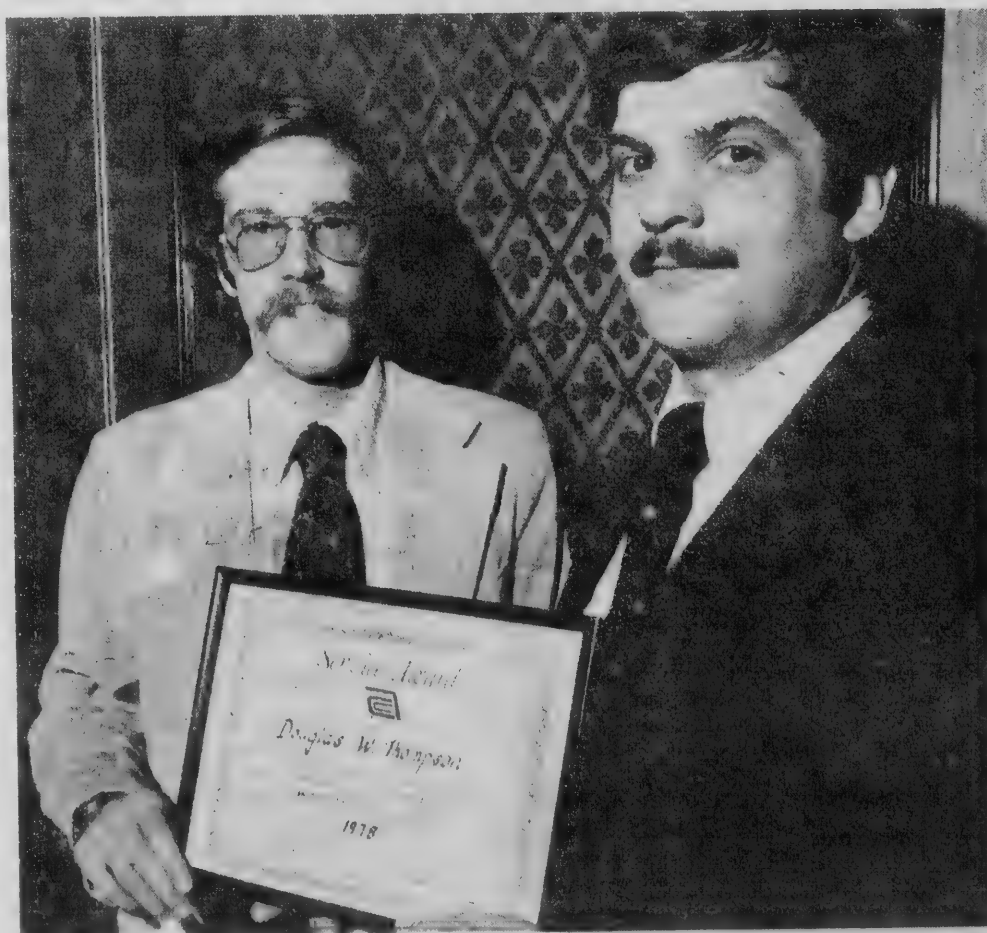

Payments to the unfunded State retirement system should be excluded from within the property tax cap. Participation in the State retirement system is a mandated program which is proving very costly to all of the participating municipalities. Less expensive retirement programs can be provided through other means.

In summary let's have a limitation on local taxing authority, but let's also have a limit on the ability of other levels of government or statutory authorities to spend limited local revenues. And if the politicians at the State and Federal level are unwilling to impose similar limitations on themselves, then their increases in mandated expenditures should remain visible to the people who either have to pay the bill or do without other local government services.

As a second but equally important part of a legislative program to control taxes there should be a legislative program to make it possible for local government operations to become more efficient and cost effective. Participation in the State Civil Service program should be entirely optional to those municipalities which adopt a local personnel plan based upon the principles of merit, an open and competitive employment program and one which provides for a local appeals process for grievance administration, etc. The status of the local personnel or merit plan should be that of a bylaw or ordinance as may be approved by the Attorney General. Fiscal autonomy for school departments should be abolished or school expenditures should be excluded from the property tax cap.

Similarly, binding arbitration should be abolished. In addition, permissive legislation should be adopted which would allow at local option the billing of taxes on a quarterly basis, reducing the need for tax anticipation borrowing or anticipatory borrowing to support other municipal utilities.

The Mass. League of Cities and Towns and the Mass. Taxpayers Foundation should actively support a tax limitation program provided that any increases in expenditure necessitating an increase in property tax become the responsibility of those agencies outside the control of the local municipality mandating such increases in expenditure, and that the amortization of general obligation bonds be assured in order to maintain lower interest rates.

Appreciative

Douglas W. Thompson, right, was presented a service award from the Andover Chamber of Commerce last Thursday night in appreciation of his work with the Center Merchants. Luke Pfeifle, chairman of the merchants division of the chamber, made the presentation at the group's annual fall workshop and dinner at Valle's.

It wasn't all uphill for Kenton Parker; his racer won the "most attractive" title.

Auto Racing Skills Featured At Andy 500

Participants in this past Saturday's fourth annual department of community services "Andy 500" were introduced to a slower but safer speedway that required racers to exhibit all phases of their driving ability.

A beautiful day and good road surface added to the drama and excitement of each racer's run down the track. Every car had to be guided around seven obstacles set up down the length of the School Street Speedway. Cars raced against the clock and were penalized five seconds for each obstacle they failed to negotiate.

The only repeating champion in this year's race was second grader Bobby Antonucci who took first place in the solo class of the grades 1-3 division (Division I).

Winners in their respective classes were as follows:

First Place:

Division I Solo (Grades 1-3) Bobby Antonucci.

Division II Solo (Grades 4-6) Eric Peterson.

Division III Solo (Grades 7-9) John Veilleux (Fastest Time of Race 37.9 seconds).

Division II Doubles, Paul Sheedy, Frank Licata.

Division III Doubles, Adam Wise, Zack Apgar.

Second Place:

Division II Solo, Doug Bailey.

Division III Solo, Mark Koppeler.

Third Place:

Division II Solo, Francis Odum.

Division III Solo, Adam Wise.

This year's race emphasized both speed and safety. After the competition, cars were selected within three special non-competing categories. Four cars were selected on the basis of being outstandingly safe. These "safest racers" belonged to: Eric Peterson, Doug Bailey, Mark Kappeler, and Alfred Contanno.

The "most attractive racer" belonged to Ken Parker.

Finally, the car that showed great imagination but did not prove to be very successful on the track was the "Flintstone" racer belonging to David Desmarais. David was this year's recipient of the "Andy 500 Bomb" award.

Once again the department of community services would like to thank the many fans, racers, and especially those individuals who volunteered their time and assisted in making this year's Andy 500 a fun family event.

John Veilleux whizzed down the speedway in 37.9 seconds for a first place in Division III.

Kenton Parker shoots his homemade "Arrow" off the starting ramp and down the School Street Speedway Saturday, during the annual Andy 500 event.

With Paul Sheedy on the brake, Frank Licata steers their soap box entry down the course; they won the Division II Doubles.

Town Meeting Issues

With the October town meeting a little over a week away, this is as good a time as any to stir up some interest and plant firmly in mind the importance of attendance.

This annual session promises to be an interesting one, with the agenda probably requiring two nights to complete.

The debate gets underway on Monday, Oct. 23, at 7:30 p.m. in Memorial Auditorium of East Junior High school, and placement of articles of interest throughout the warrant should insure maintenance of at least the quorum of 350 voters until the end.

In an effort to further interest in the meeting, we would make some suggestions this week on three items facing the vacators and which should produce some interesting discussion.

First, an easy one, the need for installation of new watermains in the Shawsheen area.

Residents of the village have been plagued by poor water quality conditions for over a year and a half.

Their patience has been exemplary.

Prior to the annual town meeting this year, they were asked to have a little more patience and allow the town to try a new method of cleaning the pipes.

This they did, and while conditions did improve, the water provided to the effected area is not of the quality supplied to the rest of the town.

Under such conditions, there should be little question that the town should fund the \$510,000 requested for replacement of water mains in the village area. The project won't be underway until the next construction season, which means Shawsheen residents may have to suffer through another winter of wondering what will flow when they turn the tap.

Mosquitoes

In a town as conservation-minded as Andover, it's difficult to expound on the value of spraying.

But, in the past few years, or at least since the general mosquito control program was halted in Andover, the pesky little devils have proliferated to the point where homeowners can't enjoy their property in the spring, summer and early fall.

We are prepared to be impressed with all the arguments against spraying, such as the need to exer-

cise control in bordering communities, the possible effect on wildlife, etc.

While all this may have some validity, the program being proposed for Andover is to be conducted by the Essex County Mosquito Control project which is an organization specializing in the eradication of the insects through scientific methods.

We have been impressed with the outline of work proposed by the project director and feel that Andover's participation will result in giving back to the taxpaying residents of the town, the enjoyment of their backyards. The effort should also include treatment of lands under the care of the conservation commission, for which the town expended funds for acquisition.

Life Care Facility

One of the items which will come toward the end of the agenda, asks rezoning of the former Abbot Academy campus to accommodate a life care facility.

This is a retirement community developed by an Iowa firm and was one of ten proposals examined by Phillips Academy before deciding to lease the Abbot property.

We can appreciate some of the concerns of neighbors, who wonder about traffic and the eventual development of the Abbot campus.

We view the proposal as being generally beneficial to the town and a proper disposal of the former academy building and grounds. The proponents state their intent is to maintain the aesthetics of the property and utilize landscaping in the total development.

Basically the property will be utilized in somewhat the same manner as when it was a part of the academic community, the number of potential retired residents about equal to the number of students who attended Abbot.

It will produce some tax revenue to the town and not present additional burden for the town's utilities or public safety department, and have no effect on the school population.

Phillips will maintain ownership of the land, providing a long term lease to the developers, thus maintaining safeguards as Life-Care's immediate neighbor.

For these reasons, we feel that the rezoning is in order to allow disposal of the property by Phillips in a manner which is compatible to the town.

Down The Years With The Townsman

75 Years Ago — October, 1903

Andrew Thompson who formerly conducted a blacksmith shop in North Andover, has begun a similar operation in Andover, opening this past week on Park street.

Plans are now underway to hold a domino tournament this winter in the Abbot Village checker room. Two prizes will be awarded the winners. As there are some good players in the club, close games are anticipated.

A new concrete crossing has been placed this week between Whiting's store and the town house.

Alexander Ritchie, manger of the Andover Roller polo team attended the meeting of the managers of amateur teams which was held at the Essex House, Lawrence Wednesday night.

On account of the illness of Henry Newman, who is graining the organ at the Andover Baptist church, the proposed opening Sunday at this church has been postponed a week. All other repairs and decorative work have been completed.

50 Years Ago — October, 1928

Howard "Mickey" Walker put on an awesome display for Punchard High Saturday afternoon as they defeated Hudson High, 37-0 at the new playstead.

The senior class at Punched High elected officers this past week, choosing James Scobie as president, James Sullivan, vice president; Elwin Russell, secretary and George Forsythe treasurer.

Percy J. Dole was elected commander of American Legion Post 8 at its annual meeting this week. Arthur L. Coleman will be vice commander and Joseph A. McCarthy adjutant.

Sgt. James Napier has been named acting chief of the police department for the next two weeks while Chief Frank Smith enjoys his annual two weeks vacation on Cape Cod. Patrolman Leonard Saunderson replaced Sgt. Napier on the night shift.

Miss Marion L. Smith of Belmont has been appointed to the position of social case worker for the public welfare department of Andover. She will conduct office hours daily from 2 to 4:30.

25 Years Ago — October, 1953

Selectmen, sitting as the licensing commission this week, approved a transfer of a liquor license to Vincenzo DiOrio of North Reading who will operate Ann's Andover Cottage on South Main street.

Selectmen receive complaints from residents of Brook and Central street concerning the continuous use of these streets by heavy cement mixing trucks.

A delegation from the local council of Knights of Columbus led by Grand Knight Henry Dolan will attend a memorial Mass to be celebrated by Bishop John J. Wright at Holy Cross Cathedral in Boston on Columbus Day.

Building permission for the month of September totalled \$185,500, with an additional \$10,000 in permits issued for additions and alterations.

Andover firefighters spent a busy week on out-of-town calls, providing mutual aid to Lawrence and Tewksbury on Thursday due to general alarms. On Saturday they went to assist Boxford with a stubborn woodlands fire in that community.

For Those Of Us Who Are Older

By Janet D. Lake

Tomorrow, Friday, Oct. 13, "The Streetcar Named Desire" is coming to The Haven at 10 a.m. If you are a movie buff, this regular Friday morning movie program is for you. It is fun and Free!

The Salt Dough workshop, a one-day event, is scheduled for Oct. 17 from 9:30 to 11:30. For those who signed up for this course through the Recreation Department, this is your reminder. Don't miss it. The Fabric Flowers workshop, also a one time event has been rescheduled to Oct. 31 at 9:30 a.m. Mark it on your calendar.

The afternoon of Oct. 17 there will be a session of Line Dancing. Even if you've never done it before in your life, it is easy to learn, does not require a partner, and they will be happy to teach you. Plan to be at The Haven at 1:30 and join the fun.

There are still a few seats available for the performance of "The Sound of Music" at the Chateau deVill in Saugus, Wednesday, Oct. 18. The cost of \$11.50 includes transportation, dinner and the perfor-

mance. Stop by The Haven right away if you want to see this all-time classic. The bus will leave The Haven at 10:30 a.m. and return about 5 p.m.

The next Pot Luck Lunch is scheduled for Oct. 25. Call The Haven (475-3968 or 475-4165) and let them know you plan to attend and what you plan to bring.

The Haven is Andover's town supported drop-in center for citizens 60 years of age and older. It is located on Essex Street in the old theater building and is open weekdays from 9 to 4. The Haven provides a broad range of services and activities and is always open to suggestions for other areas in which they might be helpful. It is a place to go to renew old acquaintances and to make new friends; it is a place to go for interesting things to do; and it is a place to go if you need help or information.

Every Wednesday afternoon the Board of Health nurse, Mary Hamilton, is at The Haven to check blood pressure and to listen to your concerns. If you have a problem and need someone who is both compassionate and able to help, talk to Mary. She'll listen.

The Haven in conjunction with the Andover Board of Health has a mini-clinic program to provide counselling, weight, blood pressure, urine check and diet information. Call The Board of Health for the location nearest you.

JACK ANDERSON WITH JOE SPEAR WEEKLY SPECIAL

Medical insurance peddlers Hustling Senior Citizens

WASHINGTON — Thousands of senior citizens are being hustled by unscrupulous medical insurance peddlers. The salesmen are taking advantage of elderly people who are caught in a health care squeeze.

The government's Medicare program won't meet the high costs of medical treatment and hospitalization. So at least half of the Americans over 65 have purchased private supplemental policies. It is estimated that the premiums may run as high as \$1 billion every year.

The slick-talking insurance agents have a list of suckers. It's called a "goose" list and contains personal details about potential customers. We have seen a typical goose list that was kept by a group of Texas insurance hustlers.

The agents talk their way into the homes of the lonely, old people on the list. Often, the salesmen conceal their purposes until they get through the door. Sometimes, they try to make the prospective customer believe they are from Medicare or some other federal agency.

They offer a policy which they claim will provide comprehensive "gap" coverage. This is the difference between what Medicare will pay and the actual health care costs. The Federal Trade Commission told us that no such coverage exists.

If the elderly person already has a supplemental policy, the agent tries to

get him to cancel it or purchase extra coverage. The agents rarely tell the customer that Medicare supplemental insurance carries an extremely high first-year commission.

Occasionally, as much as 65 percent of the first year's premium may actually be paid to the agent as commission. In some instances, the commission may be 100 percent of the premium.

The gullible buyer is unaware that the new policy may deny coverage of many past medical ailments during the first year after the purchase. Others are never told that, in case of overlapping insurance, they can be paid on only one policy.

A spokesman for the health insurance industry candidly told us: "Frankly, we don't know how many agents there are out there committing these abuses."

Debt-Ridden Dictator: The embattled Nicaraguan dictator, Anastasio Somoza, apparently has defeated the guerrillas who were trying to depose him. Now he has turned to the United States to bail him out financially.

Somoza has usually managed to get a handout from Congress when he needed it. Our sources say he has appealed privately to his friends on Capitol Hill to save Nicaragua from financial disaster.

He has blamed his adversaries for driving the country to the edge of bankruptcy. A paralyzing

businessmen's strike has shut down most stores in the key cities, which drastically reduced sales.

The Somoza government depends heavily upon sales taxes for its operating capital. The strike has knocked down collections to a mere 10 percent of normal. The chaotic conditions have also scared people into withdrawing their money from Nicaraguan banks. During the past month alone, a reported \$70 million has been taken out of the banks and presumably out of the country.

The fighting has also ruined some of the cotton and coffee crops, which Nicaragua will need to achieve economic recovery. So Somoza has almost nowhere else to turn for financial help than the United States.

Of course, the dictator has a huge personal stake in salvaging the Nicaraguan economy. We have documented from State Department files that Somoza has his fingers in just about every juicy financial pie in the country. In the past, a large share of American aid to Nicaragua has gone, directly or indirectly, into Somoza's pockets.

Aristocratic Justice: Chief Justice Warren Burger, who opened the Supreme Court's new season last week, is described by some of his colleagues as conscientious, diligent and shy. Others say he is petty.

He leaves imperious,

written instructions for his messenger to fill the water pitcher or check the ink well. He often signs these daily instructions with the terse command: "This is an order."

When the court is not in session, he takes warm ginger snaps and tea, with lemon, promptly at 10 o'clock every morning. The tea is served by Burger's manservant on an elegant silver tray. Occasionally the Chief Justice likes to sip a little wine. His manservant brings five different wine glasses for Burger to choose from.

The Chief Justice, with his white mane and black robes, is the picture of a patrician. He tries to live up to the image.

Headlines and Footnotes: Several months ago, the House of Representatives refused to appropriate \$58 million for the completion of a new Senate office building. Now the Senate, in retaliation, is threatening to hold up \$3 million which the House wants for solar panels in one of its buildings ... The National Aeronautics and Space Administration wants \$300 million for a "wrong-way satellite" that would orbit the sun from pole to pole ... Richard Kleindienst, one of former President Richard Nixon's attorney generals, has been hired to handle a labor dispute for the National Symphony Orchestra.

Buy yourself a wardrobe of gloves to keep hands smooth and supple. A must is a pair of rubber gloves to wear indoors at the sink. They are a nuisance, I admit, but a small price to pay to escape water damage. They'll prevent the skin on the back of your hands from drying and your nails from becoming soft and weak. Your next purchase should be soft, white cotton gloves for indoor gardening. Dirt under your fingernails ruins the look of your hands. When shining silver or copper, cotton gloves protect delicate skin from harsh chemicals.

Memorial Hall Library

National Hobby Month

October is National Hobby Month and the library's display features an exhibit of books depicting the many resources of Memorial Hall Library. Whether you are a collector, a bird watcher, a craftsman or a budding scientist, you will discover we have some new ideas for you as you pursue your own special hobby.

Poetry Week

October 15-20 is National Poetry Week and accordingly the library will display a collection of new poetry works, Poet's Lab, a group of Merrimack Valley poets, will be meeting on Wednesday, October 18 at 7:30 p.m. in the Print Room. Anyone interested in poetry is always welcome to join the group.

A Steeplecar Named Desire

The Feature Film on Friday, October 13 will be "A Steeplecar Named Desire" starring Vivien Leigh, Marlon Brando, Kim Hunter and directed by Elia Kazan. Tennessee Williams' powerful play about a faded Southern belle who finishes her days in alcoholic degradation is an even stronger film experience. Marlon Brando triumphs as the brutish Stanley Kowalski

who is determined to destroy her last chance for happiness and self-respect. The film will be shown at 7:30 p.m. and is open to the public without charge.

Children's Room News

By Ruth Hooten

Starting Saturday, Oct. 21, the Children's Room will present six weeks of full length feature films. Our first film will be "Where the Lilies Bloom," the sensitive story of a young Appalachian girl who tries to keep her brothers and sisters together after the death of their father. This is not a movie for young children. We ask that children be eight years and older to attend. We will have movies for younger children, such as "Rabbit Hill," on Dec. 2.

'Films on Friday's,' a half-hour program of preschool films shown at 10:30 a.m. and 2 p.m., will feature on Oct. 13 "Blueberries for Sal," "Frederick" and "Time of Wonder." The films for Oct. 20 will be "Toes Tell," "Norman the Doorman," and "In, Out, Up, Down." The program is open to all preschool children accompanied by an adult. For more information on any of our programs, call the Children's Room at 475-6960.

Warriors Romp To 40-8 Win

A Man For All Seasons

Andover High's Golden Warriors soared to a 40-8 victory at Austin Prep Saturday, while the undermanned North Reading club never really got their game off the ground.

Andover Coach Dick Collins maintains that his team hadn't necessarily planned a passing game, but it started to clique and

Warrior Quarterback and Co-Captain Manny Silva, makes one of many kickoffs during Saturday's win against Austin Prep. He also threw for two touchdowns and kicked four extra points.

they just kept going.

Quarterback Manny Silva completed eight of 14 passes for 186 yards and two touchdowns in the first half alone. The se-

cond unit played most of the second half, gaining 65 yards on the ground.

The scoring spree began just a minute and 11 seconds into the game, when Lenny Driscoll recovered a fumble at the Austin 43-yard line. Silva quickly came to life with a 43-yard touchdown pass to End Paul Farnham. Silva's kick attempt failed, but Andover had its 6-0 lead.

The Cougars fumbled the ball away on the kickoff return, and Ken Southworth recovered at the Austin 45. Just nine plays later, Melvin Berger swept six yards into the end zone, and Silva's extra kick was on target, making it 13-0.

A 19-yard punt return by Farnham to the Austin 46 set up another score before the first quarter was out. Farnham took a Silva pass to the 26, then Silva passed off to Ed Collins for a gain of 14. A Silva-to-Collins pass took it down to the nine, Dave Nardone carried to the one, and Ray Lynch got the score.

Austin's only score came in the second quarter, after Quarterback Dick Cardill engineered a 71-yard drive that ended with Co-Captain Dave DeLisle diving over from the one. Cardillo then passed to Mike Geary for a two-point conversion, and a 20-8 tally.

The Warriors weren't ready to call it quits for the half, though. Farnham returned the kick 37 yards to the Austin 48, and two plays later, Silva hit him for a 48-yard touchdown. Silva's kick was good and the score going into the half-time was 27-8.

Soon out in the second half, Ed Collins took a pitchout from Silva and outran several Austin defenders for a 16-yard TD. The Warrior's final score came with 3:42 left in the game, when Scott Donahue took a handoff from Quarterback Tom Walsh, and went over from the one-yard line. Silva made it four extra points for the day, and the score held at 40-8.

The Warriors take their 3-1 season record to Methuen Saturday.

Dr. Richard D. Lindsay, Andover veterinarian has been selected as one of the ten veterinarians in the nation to be appointed to the Ralston Purina Company's Small Animal Advisory Committee. He attended a meeting Oct. 8-10 in St. Louis, Missouri at the Ralston Purina Tower for a tour of research and pet care facilities, and discussion of nutritional problems. Dr. Lindsay is 1978 president of both the New England Veterinary Medical Association and Massachusetts Veterinary Medical Association.

Animal Trainer Is "Lord of Ring"

When the spotlights focus on the big steel cage in Ring Two of Ringling Bros. and Barnum & Bailey Circus, audiences witness why Gunther Gebel-Williams has earned the title "Lord of the Ring," given him by the press. The master animal trainer can be seen in New England when The Greatest Show on Earth performs at the Boston Garden on Wednesday, Oct. 18 through Monday, Oct. 30.

In the 107th Edition of Ringling Bros. and Barnum & Bailey Circus, the Germany-born performer presents in an extraordinary display of the most vicious and uncontrollable animals of their species — 20 leopards, panthers, and

pumas — the results of two years of intensive training. No act of its kind has been presented in this country in recent decades.

For Gunther, the most important factor in wild-animal training is earning the trust of his creatures, an area in which he has succeeded remarkably well. However, he is quick to add that for a trainer there is no greater mistake than trusting his animals.

"No matter how long you work with an animal, no matter how well you think you know him, there's always a chance that one day when you least expect it, you will find yourself flat on your back with his

teeth at your throat."

The talented artist believes ultimate control comes from dominating animals with his personality. "A good animal trainer relies on his voice to make animals learn their routines. I don't depend on the whip to make them do what I want; this only to get their attention. You can't really hurt a big cat with a whip anyway; their skin is too tough."

To insure his four-footed charges' familiarity and confidence in him, Gunther personally feeds every animal he works with. "I'm the one who makes them work," he says. "I'm the one who scolds them when they do wrong. They must also recognize me as the one who does good things for them and cares for them."

Tickets are on sale at the Boston Garden Box Office and local Ticketron outlets.

Warriors Start Uphill Title Battle

By Ben Bram

The Andover High School soccer team had a busy week with wins against Tewksbury and Wilmington, 2-0 and 3-2, and a loss to St. John's Prep 3-2.

The loss to St. John's made the Warriors realize that they were in a hold and would have to scratch and claw to climb out of it. That's just what they did as Andover beat Tewksbury and Wilmington, but they're not out of the hole yet. The Warriors play Austin Prep, Methuen, and Billerica in their next three games. Andover beat Austin and Billerica 1-0 and lost to Methuen 2-1 earlier this year.

Last Wednesday against St. John's, the Warriors were outplayed as the visiting team beat them to the ball. Andover's coach David Amundson was ominous before the game saying, "on a day like this, (damp and murky) the best teams can be surprised." St. John's surprised the Warriors early on a short off of a corner kick 1:55 into the game. St. John's Tom Shotles, who finished the game with two goals and one assist, chipped the ball in before netminder Jeff Nicastro could get to it.

The rest of the first half saw the goalies, Nicastro for Andover and Jeff Perkins for the visitors, tested quite a few times.

From the St. John's point of view, the game seemed to be rolling along smoothly in the third period, when their goalie, Perkins, made a crucial error. On a rolling shot out in front of the goal, he tried to kick it out of the area without handling it. Speedy senior striker David Yates blocked the kick and tri-captain Gary Cohen chased the ball as it skittered away. He got to it just before Perkins, who valiantly dove after it, dribbled around the goalie, and shot the ball into the open net. The goal ignited the Warriors as the momentum swayed in their direction. At 10:55 in the same (third) period, Cohen raced into the corner, and blazed a beautiful crossing pass to Yates who deflected the ball in the net for a 2-1 lead.

At 1:30 in the fourth period, the momentum switched hands again as Shotles scored his second goal to tie it up. This time he received a pass on an indirect kick from Brian Gaffey and chipped it up and over the head of Nicastro. Ten minutes later, at 11:30 in the period, Shotles passed

to Brian Cabral who weaved through four defenders, including Nicastro, to score the winning goal.

The loss to St. John's was a discouraging one for the Warriors and forced them to realize that, with just half of the season left, they had to get on the ball to grab one of two spots in the state tournament that are reserved for the champion and runner-up in the Merrimack Valley conference. With this in mind, the Warriors rebounded from the loss to St. John's with victories over Tewksbury and Wilmington.

The Redmen from Tewksbury were at the wrong place at the wrong time as the charged up Warriors were ready to break loose on anyone. They were at the top of their game as they passed very well and moved the ball down along the wings. They took some good shots but couldn't correct in the first half.

With four seconds remaining in the third quarter striker Rusty Serbagi booted in a pass from junior Mark Reed. Reed had emerged from the scramble and made a beautiful pass across the penalty area.

The Warriors weren't satisfied with a 1-0 lead and worked hard to start the fourth period. It payed off as they were awarded a direct kick when a Tewksbury player was called for charging. David Yates took the shot and it appeared that the Tewksbury goalie had saved it, but it popped loose and junior Thom Wiseman wasted no time in blasting it into the net.

The rest of the game was marked by penalties, especially offsides calls. Andover was offside a remarkably high number of times (12).

The Warriors traveled to Wilmington Monday to play the Wildcats on a brutally cold and windy day. The Wildcats drew first blood as midfielder Mark Lami drilled a shot into the wind that eluded Warriors' goalie Jeff Nicastro. The score came 8:37 into the first period and things looked gloomy as the terrible weather

appeared to be a bad sign for the Warriors.

But at 3:20 in the second period, Andover was awarded a penalty shot and David Yates was designated to take it. Yates tapped the ball along the ground into the lower left corner. Andover scored again in the third period when Eric Brandt smashed a long shot over Wilmington's goalie Jeff Wingate.

The Wildcats tied the game up on a "header" by Jim Burns 5:58 into the fourth period and the Warriors roared back as they kept the ball in Wilmington's penalty area for close to four minutes before Andy Powell took the ball out of a scramble and peppered the ball at the goalie from very close range. Powell finally passed to Tom Keefe who kicked into the net for the winner. This 3-2 victory for Andover marked the first time they scored three or more goals.

Andover is now 6-2-2 with six games left. They have to win at the very least, five of them to take the title. They play three very tough games this week and should know where they stand. Before listing the pointscorers, it should be pointed out that the steady influence by Eric Ketzler, who doesn't grab the headlines with points, is a large factor in the team's success and the better he plays the better chance Andover has of winning the league championship.

PA Soccer Off To Fine Start

This year's boys varsity soccer team at Phillips Academy is off to its best start in many years, having posted consecutive wins over Worcester Academy, Dartmouth College JV's, and Governor Dummer.

Two local boys, Haig Townsend and Chris O'Hara have been instrumental in the victories. The team, captained by Reid Livingston from Villanova, Penna and Bill Way from Paget, Bermuda, hopes to im-

prove on last year's 10-3-1 record.

The public is welcome at the remaining home games which are as follows: Oct. 14, 2 p.m. Tabor Academy; Oct. 28, 2 p.m. Deerfield Academy; Nov. 1, 2:30 p.m., Harvard B; Nov. 4, 2 p.m., Lowell University B.

All boys and girls who have participated in the town of Andover youth soccer program are particularly welcome.

West Booters Have 5-0 Record

The Andover West Junior High freshman soccer team upped its record to 5 and 0 by winning three game last week. They beat Medford 2-0, Billerica 4-2 and Greater Lawrence 9-2.

West's high scoring squad is led by a front line of Adam Roberts, Jeff Parker, Ian Yates, and Dan Roberts. This line has compiled the impressive stats of 13 goals and 9 assists in the first five games. While center half Ken Heydt leads the team in goals scored with six. Also eighth grader Steve Carbone has been an impressive substitute with 3 goals and 1 assist.

West has scored a total of 24 goals, while giving up only six goals. The team is led defensively by eighth grade goalie Brian Bedell, who has two shutouts and only one goal scored against him so far. Yvan Levesque, Paul Thoday, and Mark Edgar, are the team's standout defenders, killing many offensive thrusts by the opposition.

Gary Forbes, John Cohen, Frank Rossitto, Ken Saliba and Mark Fitzpatrick, ninth graders, all have played an important role in the team's five victories. The following eighth graders round out the team roster; Brandon Bachnor, Greg Batten, Marc Bolan, Dan Boland, David Collins, Chris Egan, Steve Guschoy, John Hevehan, Dan Kimball, Todd Lockwood, Glen McAnnally, Dan Poore, Rob Retelle, and Matt Wells.

Miss Taylor On Team At Bentley

Kathy Taylor, a junior from North Andover, is a member of the varsity field hockey team at Bentley College this fall.

Bentley is currently 3-1-1 under new Coach Paula Mullen. After a 12-0-2 record last year, the Falcons defeated Wheaton College, 1-0, in their last outing after having their 17 game unbeaten streak snapped by Wellesley College.

Taylor, a 1976 graduate of North Andover High School, plays sweeper for the Falcons, a very key position defensively. An accounting major, she is the daughter of Albert and Patricia Taylor of 60 Russell St., North Andover.

Ski Club Organizing For Season

The Andover Ski Club will hold its first organizational meeting of the 1978-1979 season at West Junior High School in the Auditorium on Tuesday, Oct. 24 at 7:30 p.m. This meeting will be open to the public.

The officers of the club will be on hand to greet old and new members and to

Hockey Association Registration

The Andover Hockey Association will hold a registration at West Junior High School on Saturday, Oct. 21, 9:30 a.m. to 11:30 a.m. All interested applicants, ages 6 through 14, who have not registered, should register on Oct. 21. Registration fee for the program will be \$65.00.

As in the past, the Andover Hockey Association will primarily use the Phillips Academy Ice Rink. The Intramural Program has been expanded this year to include a series of games with intramural teams from North Andover.

welcome anyone interested in obtaining information about the goals and purposes of the organization.

One of the main objectives for the coming season is to involve total family participation in the programs of the Andover Ski Club. Skiing is a family sport and the Club intends to encourage the involvement of parents as well as children in the racing and recreational skiing events.

The possibility of a Cross Country Ski program will be explored to find out if there is sufficient interest to warrant such a venture.

Ted Sutton, coach of BWL and Andover High School ski teams, as well as head of the Crotched Mt. Ski Racing Program, and Charles Haseltine of The Sport Shop in Andover will offer a workshop on the purchasing of ski equipment. They will discuss the aspects to look for in new and used equipment.

Old members of the Andover Ski Club are urged to bring their filled-in questionnaires with them or mail them to Mrs. Ann White in order to finalize this year's programs. Additional application blanks and questionnaires will be available at this meeting or may be picked up at The Sport Shop.

An introductory dry land practice in conjunction with the Crotched Mt. Ski Club will be held on Saturday, Oct. 14, at Crotched Mt., Franconia, N.H. starting at 1:30 p.m. There will be exercises, games and a mountain climb. Anyone interested is welcome to join the activities for the day.

All persons interested in any form of skiing are invited to attend the meeting without any obligation.

Leading Receiver At Brown

Mark Farnham, former Andover High star, is Brown University's leading receiver after two games. The 5'9", 170-lbs. junior has caught 13 passes for 147 yards placing him among the leaders nationally. Head football coach John Anderson says "Mark has continued to improve this year and is making an additional contribution as a downfield blocker. He draws double coverage in most passing situations which reflects the respect other teams

have for his ability." Last year Mark led the Ivy League with 24 receptions in seven league games. Brown gained 348 yards in total offense to the University of Rhode

Island's 256, however seven turnovers left the Bruins on the short end of a 17-3 score. If Brown is to return to its winning ways, Mark Farnham will play a major role.

AN OPEN LETTER FROM BILL SALTONSTALL

To my friends, voters of the First Essex and Middlesex District:

I have enjoyed serving you for the last twelve years in the Massachusetts State Senate. It has been interesting work, hard work, work that requires a knowledge of the communities, of the people who live in them, and the problems that face us all. I hope I have served you well.

Now that I am retiring, I want you to have the best representation possible for the next few years. State Representative Bob Buell of Boxford has represented the 12th Essex District since 1969. I have worked with him and have seen his work for the people of his district. He is strong, competent and knowledgeable. We think alike on most issues.

I have seen him fight for what he believes in and win, one of the few Republicans to face down the Democratic leadership on a matter of importance. While doing this he has gained the respect of his colleagues. Most of the Senators know him for this reason and respect him, too.

Bob Buell should be your State Senator. Vote for him on November 7. I hope you do — I'm going to.

Sincerely yours,

Bill Saltonstall

Fire Station Always A Thrill

Youngsters were entranced as always this weekend, during Open House at the Andover Fire Department. Russian Poet At Academy PSAT Tests

Soviet Russia's most celebrated poet, Andrei Voznesensky, visiting the USA, will make his only appearance in the Boston Metropolitan area at Phillips Academy, Andover, on Friday, Oct. 27. The public is invited to hear Voznesensky read his poems, with commentary, at 8 p.m. in George Washington Hall.

Voznesensky, an intense and gifted performer of his own verse, is almost as popular with young poetry lovers in the USA as in poetry-loving Russia, where his appearances outdraw important soccer matches. Doves of young people throng to his readings, hoping for a last-minute chance at a ticket. His boldness has incurred some official disfavor, but is mixed with enough ambiguity to keep him on the publishing side of trouble. His appearance at Andover is supported principally by the John M. Kemper Lecture Fund.

Dr. Borland Associated In Practice

Joanne Y. Borland, M.D. has recently become associated with Richard A. Katz, M.D. and Paul F. Donahue, M.D. in the practice of pediatrics at Andover Pediatric Associates, located at Doctor's Park, 140 Haverhill St., Andover.

Dr. Borland, a native of Pennsylvania, is a magna cum laude graduate of Bryn Mawr college and a graduate of Harvard Medical School in 1975. While in medical school she participated in research in multiple sclerosis with the Department of Neurology at Mass. General Hospital.

Dr. Borland served her pediatric internship at Children's Hospital of Philadelphia followed by two years of residency training on the Children's Service at Mass. General Hospital. During her residency she developed an interest in the subspecialty of neonatology and served in the Intensive Care nursery at Mass. General. She is currently board eligible in pediatrics and will be taking her final boards in the near future.

Dr. Borland resides in North Andover. Her husband, R. Michael Borland, is currently a third year student at Harvard Medical School, having taught there for the past four years after completing a PHD in developmental biology.

Joint Recital At Methuen

The Methuen Memorial Hall's 1978 Fall Variety Series continues on Friday, Oct. 13 at 8:30 p.m. presenting a joint recital of George Butler, organ, and Ivar Sjostrom, piano.

The program opens with Mr. Butler playing Carillon de Westminster — Louis Vierne; Rhumba — Robert Elmore;

In his Andover appearance Voznesensky will comment on his poetry in English, but declaim it in Russian. Each poem will be preceded by an English translation read by Alexander Theroux, Andover's writer-in-residence and Roger F. Murray Instructor in English, author of the novel Three Wogs and other writings.

The readings will be followed by a short discussion on literature and poetry writing, after which a public reception will be held in honor of the poet.

There will be a nominal charge of \$1 collected at the door. For information about advance reservations, contact Phyllis Powell, Dean of the Academy; George Krivobok, Chairman of the Russian Department; or school receptionist Meredith Thiras, by telephoning or writing Phillips Academy, Andover, Mass. 01810.

Pageant (1931) — Leo Sowerby; Toccata in F Major, Allegro (from Symphony No. 5 in f minor, Op. 42, No. 1) — Charles-Marie Widor; Komm Susser Tod, S. 478 — Johann Sebastian Bach, arranged by Virgil Fox; Toccata, Tu es petra (from Ten Byzantine Sketches) — Henri Mulet.

Then Mr. Sjostrom continues playing: Intermezzo in E flat Major — Johannes Brahms; Impromptu in A. flat Major — Franz Schubert; Waltz in A flat Major — Frederic Chopin; Polonaise in A Major — Frederic Chopin.

Next Friday, Oct. 20, Andover Choral Society, will present a varied program.

PSAT Tests

Andover High School will offer the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) on Oct. 28 at 8:15.

The PSAT is a two-hour version of the College Board Scholastic Aptitude Test (SAT's). The PSAT/NMSQT measures verbal and mathematical skills important for college work. It is recommended for use in guiding juniors who plan to continue their education beyond high school.

The test is required of juniors who wish to seek recognition and financial awards through scholarship programs administered by the National Merit Scholarship Committee. Juniors who wish to be considered for National Merit Scholarships to be awarded in 1979 should take the PSAT/NMSQT in October 1978.

On The Soccer Fields

By She Livermore

It is difficult to understand a scoreless game with twenty players running around the field for an hour making every effort to score a goal for their team; good defensive tactics make it possible and they did last weekend as several teams in the league finished their games with a zero score. Brief results of all the games follow:

Division 1, Grades 3/4 Boys (Blue)

Lions 2, Tigers 2

The Lions took an early lead (Tim Adams) which they held until the third quarter when Billy Webber evened it up for the Tigers by scoring on a pass from Michael Corkery. Both teams continued to play more aggressively and both were successful in scoring goals, for a tie game (Jim Sullivan for the Lions and Robert Ashworth for the Tigers). ESB: John Shaw, Greg Kinsky, Chris DiClemente (Lions) as well as Mark Kubas, Robert Connor (Tigers).

Bobcats 1, Bears 1

The Bears with only eleven players were challenged by the Bobcats anxious for their first win. They took the lead in the first quarter when Eric Buchholz booted the ball into the Bobcats goal but were unable to penetrate the Bobcats defensive line again throughout the rest of the play. The Bobcats evened it up and both teams split the points. ESB: Taylor Ongaro (Bears).

Leopards 0, Panthers 0

The Leopards controlled the ball throughout much of the game but their offensive line were never able to score that elusive goal. The Panthers also found it difficult to assault the nets successfully and when the final whistle blew, both teams showed a nil score and they split the points ESB: Chris Colsia, John Saalfrank (Leopards).

Grades 3/4 Boys (Gold)

Cougars 1, Wolves 0

The Cougars won the victory in a game which remained scoreless until the third quarter when Ronnie Forbes booted the ball into the Wolves nets, on a corner kick from Andy Lascher. Both teams made some excellent shots on the goals throughout the game but brilliant saves by goalies Scott Powers (Wolves) and Mark

Dorsey (Cougars) blocked their efforts. ESB: Jonathan Daly, Dana Forbes, John Driscoll, Pat Kennedy (Cougars) as well as the entire Wolves team who played their best game of the season.

Jaguars 4, Foxes 5

Most of the action took place in the goal zones as both teams kicked the ball up and down the field endeavouring to score. The Foxes were the first to succeed (Chris Sapuppo) soon followed by the Jaguars (Kyle McCabe twice, one on a pass from James O'Brien). Chris Sapuppo scored again on a pass from Jody Mynttinen and the Jaguars again took the lead when Jamie O'Brien booted the ball into the nets. In the final quarter, the Foxes were awarded three penalty kicks, all completed by Chris Sapuppo, and whilst the Jaguars were able to score again, they were still one down at the final Whistle. ESB: Steve DeVoir, Gred DeVoir, Jody Mynttinen (Foxes) as well as Jim Pathiakakis, Tom Herling (Jaguars).

Rams 6, Pumas 3

The Pumas took the lead when Mark Neaves scored the first of his three goals. The Rams played a very spirited game throughout and they won the victory when they were able to even up the score, as well as add to it with the extra goals. ESB: Robert Hughes, Michael Coco (Pumas).

Division 2 — Grades 3/5 Girls

Barracuda 0, Sharks 0

Great goal tending was the key to the final score, which was zero. Both teams made some good attempts to score throughout the play, all of which were blocked by goalies Cindy Porter and Susie Porter for the Barracudas, and Jahna Malitsky and Sara Horton for the Sharks. ESB: Wendy Abramson, Laurie Califano (Barracuda) as well as Hollis Greenberg, Kristina Moskos (Sharks).

Marlin 0, Dolphins 1

The game remained scoreless until the fourth quarter when Meg Wilson scored on a pass from Kyle Marjerison. Both teams made many good attempts to score throughout the game but goalies Cheryl Hunt (Marlin) and Bonnie Weinstein (Dolphins) defended their nets with much class and blocked all efforts. ESB: Lisa Spinelli (Dolphins) as well as Kim Guild, Susan Clark, Buffy Kaplan (Marlin).

Division 3, Grades 5/6 Boys (Gold)

Falcons 3, Hawks 5

The Hawks scored in the opening minutes of play and booted in two more in the first half, whilst denying the Falcons any good shots on their nets, although John Drake slipped one past the defensive line

on a corner kick! The Falcons played stronger in the second half and Malcom Galvin evened the score with two goals, one on a corner kick from John Drake. The Hawks were determined to continue their winning streak and they won the points with two extra goals in the closing

Vikes, Phins, In Showdown Sunday

By Chris O'Reilly

Bancroft Dolphin "Juice" Cormier put on quite a show last Sunday as he ran for five touchdowns, leading his team to a 51-0 romp over the Central Colts. In the other game the Indian Ridge Vikings defeated last year's champion West Andover Redskins, 14-0 to set a battle of the unbeaten between the Phins and the Vikes Sunday at the Playstead at 2:20 p.m.

Dolphins 51, Colts 0

In a very lopsided contest, the tough Bancroft Dolphins romped over the Central Colts 51-0. In the first half the Colts put the ball in play at their own 45. On the first play Dolphin Pedro Gleason recovered a Colt fumble. From there, Juice Cormier rambled 45 yards for his first T.D. The conversion failed. The Colts put the ball in play at their own 30. The Colts got a first down but the Phin defense toughened up and got the ball at the Colt 49. Chuck Arrigo ran eleven yards to the 38, then Cormier ran it in from there. Ralph Dellatto rushed for the conversion and the Phins led 13-0. The Colts took over after the kick at their own 30 and were stopped cold by the tough Bancroft defense. The Phins drove from the Colt 38 to the Colt 11 when Juice Cormier went in for his third T.D. Kenneth Long rushed for the PAT. The Colts put the ball in play at their own 31, but couldn't get anywhere. The Colts attempted to punt, but the punter was nailed for a 16 yard loss. The Dolphins had a first and ten at the Colt's 15 when Cormier ran to paydirt. The PAT failed and the Dolphins led 26-0. Chuck Arrigo kicked off and it bounced off of a Colt and the Dolphins recovered at the Colt 45. Cormier rambled to the Zone and the PAT failed. At half-time the Bancroft crew had a 32-0 lead. The B Squads came in for the third quarter and the Phins put the ball in play at the Phin 45. On the first play from scrimmage, Dolphin Q.B. David Starensier rambled 59 yards to paydirt. The PAT failed. The Colts started a drive after the kick and got the ball to the Phin 45 from their own 30. Dolphin John Recesso intercepted an errant pass and rambled in from 55 yards out. The PAT missed and the Phins let 44-0. The Colts started a long drive at their own 45 behind Robbie Carpentier and Matt Aumais getting the ball to the Dolphin 9 before the Phins stopped the drive. The "A" teams

came in for the fourth quarter and Phin back Chuck Arrigo rambled 91 yards to paydirt. Ralph Dellatto rushed for the PAT and that's how it stayed, Dolphins 51-Colts 0. Leading the Phins offense were Dean LoPresti, David Starensier and Ralph Dellatto. Sparking the Bancroft defense were Jim Wiseman, Kevin Lynch and "B" teamer Robert Nelson. Leading the Colt offense were Jeff Fox, Sean O'Shea, and "B" teamer Robbie Carpentier. Leading the Colt defense were John Deeran, Eric Pfofi, and "B" teamer Matt Aumais.

Indian Ridge Vikings, 12 West Andover Redskins, 0

In what was a much closer game than the other one the Vikings remained unbeaten by defeating last year's champions, West Andover Redskins, 12-0. The Skins put the ball in play at their own 40 and were stalled on their first drive. The two teams traded the ball twice in the first quarter as the Vikes had a drive from their own 40 to the Skins 15 behind Larry Cuddy's running before the half ended, but neither mounted a scoring threat, although a Redskin T.D. on a 20-yard pass from Robbie Harrison to Bobby Stabile was called back because of a holding penalty. The "B" squads came in for the third quarter and the Vikes put the ball in play at their own 35. They were stopped by the Skins who on their next possession couldn't get a first down. The Vikes started a long march at their own 30-yard line and behind some strong running by Dylan Callahan and a big 20-yard run by Chris Lyons, got the ball to the Skins 30 yard line before the Skins stopped the Viking march. On a fourth and long for the Skins, Viking Steve Eldren blocked an

attempted punt with Steve Blair recovering it on the Skin 16. That was the last play of the third quarter and the A squads came in for the fourth period. After a three yard gain, Viking Q.B. Billy Vickers hit Tim Perry for a 12-yard T.D. strike. The PAT failed and that's how it stayed, Vikes 12-Skins 0. Leading the Vikes offense were Scott Zimmerman, Alex Niedzwiecki and B teamer Mike Cough. Sparking the Indian Ridge defense were Todd Sleath, Bill Baldwin and B teamer Steve Eldred. For

the Skins offense were Mark Grams and Robbie Harrison. For the Skins defense were John Hopwood, Bobby Stabile and B teamer Joe Hart.

Next week's games (Sunday Oct. 15) are:

MEET SOME NEW "FOUL WEATHER" FRIENDS

FORD'S NEW LINE OF SNOW THROWERS

This winter, put yourself behind one of Ford's new snow throwers instead of a shovel to take the curse out of winter.

- 220 recoil, 220E electric start with 20" wide cut.
- 2-hp, single-stage.
- Only 40 pounds. Lift to clean narrow steps and hang up for easy storage out of the way.

5-hp 524 (24" width), 526 (26" width) with recoil or electric start.

- 2-stage, self-propelled.
- 200° snow chute rotation for wide throw pattern.

8-hp 826 with recoil or electric start.

- Two-stage action, self-propelled.
- 200° snow chute rotation, 26" cut.
- 16" lug tires for good traction.

Any one of 'em will get you out of the drifts. Come in while it's still fair weather and meet the new "foul weather" friends from Ford.

moments of the game. Hawks' goal getters were Mosa Kaleel on a pass from Chris Comparato, Chris Comparato on a pass from Chris Casey, and Glenn Livermore. ESB: Jeff Ashworth (Falcons) as well as Tom Clark, Neal Weaver (Hawks).

Ravens 0, Eagles 0

The fullbacks and halfbacks, as well as the goalies Brian Finnerty, Robbie Barnard (Ravens) and Craig sorrie, Barry Tucker (Eagles) played very well and as a result the game was scoreless at the final whistle. Both teams penetrated the goal zones on several occasions but were never able to score the elusive goal. ESB: Russell Lowe, Mark Baldwin, James Pelz

(Eagles) as well as James and John Marocco, Danny Moynihan, Myles Greenberg (Ravens).

Grades 5/6 Boys (Blue)

Gulls 2, Owls 2

The Owls scored in the first quarter of a very exciting game (Eric Sanborn on a pass from Eric Neyman) to take a early lead. The Gulls, anxious to even it up, played much stronger in the second and third quarters and made many assaults on the Owls goal zone, all repelled by good defensive tactics. In the fourth quarter, the Gulls scored twice (Danny Sheehan on a pass from Steve Colitz, and Tom DeLeire direct) and when Paul Hevehan's long kick towards the Gulls net (on a pass from Eric Sanborn) slipped past the goalie, the game ended in a tie. ESB:

Michael Burke, Paul Hevehan, Jeff Kuo (Owls) as well as Steven Colitz, Shannon McCabe, Brian Poisson (Gulls).

Buzzards 6, Orioles 0

The Orioles were challenged by the Buzzards who played very strong and they found themselves playing a defensive game throughout much of the play. The fullbacks, halfbacks and goalies all worked hard to minimize the loss, but the Buzzards were not to be thwarted and they succeeded in scoring six goals before the

final whistle. ESB: Brian Shannon, Brian Novelline, Fred Kratz, Steve Pisani, David Bellaire (Orioles).

Division 4, Grades 6/9 Girls

Whitecaps 0, Apollos 1

Most of the action took place midfield with both teams working hard to control the ball and get it into the goal zones; whenever they succeeded, their shots were too wide or too short of the nets. The

Apollos eventually were able to score (Kelly Shannon on an excellent pass by Crystal Hunt) and they won the victory. ESB: Paula Asoian, Kristen Shepard, Julie Foley, Beth Sullivan (Whitecaps) as well as Christine Philipp, Julie Najaar (Apollos).

Rangers 1, Express 2

The Rangers took the lead in the second quarter of a very tight game when Cindy Clinton scored on a pass from Marci Lebowitz; the Express evened it up in the third quarter when Cindy Surret scored on a pass from Suzanne Curley. Both teams worked hard for control of the ball and the elusive winning goal, and the Express were successful in the final minutes of the game when Cindy Surret booted the ball into the Rangers nets. ESB: Susanna Lenoe, Lisa Aiello, Lorraine Coughlin (Express) as well as Erin Sheehan, Kristin Oliver, Melissa Morris (Rangers).

Division 5, Grades 7/9 Boys

Metros 1, Tornadoes 3

The Tornadoes anxious for their first win, played strong against the Metros who were missing several key players. They dominated much of the play and were

successful in scoring three goals (Alvin Ohlenbusch, Mike Metcalf on a beautiful pass from David Souter, and Derek Schmitke) whilst the Metros were only able to score one (Tim Jennings). ESB: Scott Colitz, John Parthum, Joseph Murphy (Tornadoes) as well as goalie Sean Trombly, Robert Scanlon, Ed Melia (Metros).

Roughnecks 1, Lancers 0

The Roughnecks played a very spirited game and took the ball to the Lancers goal zone on numerous occasions. Fullbacks David Reed, Rick Mangano, Glenn Barnes, as well as goalie Ray Adams, defended their goal with much class and repeatedly returned the ball to midfield. The Roughnecks offensive tactics succeeded on one occasion and they won their first victory points.

Sockers 0, Stompers 2

The Stompers played particularly strong in the first half, during which they scored two goals (David Bates, both on passes from Dean Weaver). They maintained the

pressure in the second half and made many attempts to increase their lead, all denied by the great defensive play of fullback Selden Rose and goalie Billy Baldwin. The spirited Sockers were not successful in their assaults on the Stompers nets. ESB: Dean Weaver, Chip

Dye (Stompers) as well as Stephen Kilmain, Mark Perlowski, John Thompson (Sockers).

Roughnecks 3, Sockers 1

The Sockers anxious for their first win,

Unleaded Gas

By 1979, nearly half the gasoline sales in the U.S. will be accounted for by unleaded fuels, according to the American Petroleum Institute. API also says that by the end of 1980, unleaded gasolines could account for more than 60 percent of all gasolines sold.

worked very hard to gain possession of and control the ball, and scored in the first half when Steven Kilmain passed the ball to Danny Kimball who booted it into the nets. The Roughnecks evened it up when Chris Egan scored. In the second half, the Roughnecks played more aggressively and goalie Billy Baldwin made some brilliant saves; however, they were determined to score and did so twice to win the points. ESB: Sean Ross, John Chongris (Sockers).

Division 6, Grades 10/12 Girls Diamonds 0, Emeralds 1

The game was scoreless until its final moments when The Emeralds kicked the ball into the nets, to win the victory. Both teams played well throughout the game but were unable to control the ball long enough to get it into the goal zones and score. ESB: Cindy Luby, Lisa McKertick, Karen Duncan, Dale Johnson (Diamonds).

Fall Inspection

Fall Motor Vehicle Inspection will end on October 16. Avoid the last minute rush. Have your vehicle inspected now at any of the official inspection stations throughout the Commonwealth.

There is a \$2.00 fee for inspecting your vehicle and a \$25.00 fine if you don't have a fall inspection sticker after the Oct. 16 deadline.

REALTOR

BEWARE OF RESTRICTIONS

The courts permit property owners to put in deeds to buyers reasonable restrictions on the use of the real estate being transferred. It might be looked upon as zoning on a very personal basis.

For example, a home in a commercially zoned area may have a restriction against use for any commercial purpose. This may be OK for the first buyer who plans to live in the house, but a lending institution may refuse to loan any money on it because commercial use may be the only reason for a new purchaser to buy it. They prefer to play it safe and give funds for

less questionable and risky situations.

From the point of view of the buyer, it is preferable that the agreement enumerate any and all restrictions. The point is this: If there ARE restrictions, bring them out in the open and get the advice of your Realtor or attorney before going any further. It's for your own protection.

If there is anything we can do to help you in the field of real estate, please phone or drop in at THE HOWE AGENCY, 4 Punchard Ave., Andover. Phone: 475-5100. We're here to help.

HARVEST OF HOMES

is pleased to introduce our

"30 DAY LISTING POLICY"

At **HARVEST of HOMES**, we believe our **THIRTY DAY EXCLUSIVE LISTING POLICY** is the most effective way to sell your home. We understand that most homeowners do not want to be tied up with long term listing contracts, and we agree. We believe a home that is properly priced and properly marketed will sell within thirty days.

We know that everyday counts. When a home is listed with our **THIRTY DAY POLICY**, the marketing begins immediately and continues until a sale is realized. You will receive maximum exposure from the first day on and constant up-dates as to the results of our marketing program.

We are proud of our performance. With our **THIRTY DAY LISTING POLICY**, you will be given an opportunity to evaluate us immediately.

For maximum action and service, list your home with an aggressive agency that can't afford to waste time!

Are you overlooking an extraordinary way of life?

These people are.

They're residents of Millpond. An extraordinary community of contemporary townhomes in historic North Andover.

At Millpond, a firm regard for the traditions of the past exists side by side with a healthy respect for the joys of modern living.

Take the townhomes themselves. Like the land they occupy, they are bold, rugged, and natural on the outside. Gracious, expansive, and fully convenient on the inside.

There are tennis courts here. A swimming pool. A private beach and boat dock on historic Stevens Pond.

There are nature trails. And ski trails. And riding paths. All on 22 of the most beautiful acres of New England countryside you've ever seen.

The Millpond lifestyle begins at \$78,800. Why not come out sometime, and take a careful look at this carefully planned community.

To get here, take Rt. 495 to the Mass. Avenue exit (North Andover). Turn left on 125, and one-half mile later, turn right on Pleasant St. Millpond is one-quarter mile down, on Stevens Pond. From Rt. 128, take 95 North to Exit 15 (Rt. 125 to North Andover). At 114/125, turn left. Bear right at first traffic light, staying on 125. Turn right on Pleasant St., about 1/2 mile down. Millpond is a quarter of a mile away.

applications for construction funds permitting companies to either expand or build new facilities by obtaining low-interest, guaranteed loans.

The IDFA, meeting this past week gave final approval to an application from the Cressey-Dockham Co., for \$2.75 million for expansion of the wholesale food warehouse plant in Lowell Junction.

The Cressey-Dockham application, first to be processed since the annual town meeting gave approval to creation of the agency, now goes on to the state department of commerce for approval, after which the funding will be provided by financial institutions.

Dr. Speigel reports that Cressey-Dockham has obtained approval from a financial institution for the necessary funding for the expansion and is now awaiting the decision from the state before initiating construction.

Within the past few months, Andover's industrial picture has blossomed, with the Harris announcement this week, another in a series of developments.

Instrumentation Laboratories (IL) of Lexington has announced its intent to locate a 200,000 square foot building in the Lowell Junction area, near the Gillette plant. The building will be the first of several planned on 50 acres IL intends to acquire. The town has given initial approval to location of utility lines in the area for the firm.

Also, Polaroid Corp., has announced plans to locate a 200,000 square foot building in the West Andover Industrial area, near the Hewlett-Packard plant. It

will be a light assembly plant for photographic film. Town authorities have also granted approval for location of utility lines there for Polaroid.

It is anticipated that the Polaroid decision may assist Arkwright-Boston Insurance Co., owners of the West Andover industrial land, to firm up some other industrial clients who have expressed interest in locating there.

CONTINUING A TRADITION

The corner store of yesteryear certainly had its social, as well as service, place in the community. The "old hangout" (as they were then called) served as a rendezvous where friends and neighbors exchanged chatter, had some laughs and enjoyed one another's company for a pleasant hour or two. It was a tradition and every New England city and town laid claim to one such "corner store."

The Towne Deli is rapidly becoming such a gathering place for Andover and environs. Our breakfast club is well established and flourishing. Then there are the "regulars" who pause in the normal rush of things to come and sit with a friend to enjoy a cup of coffee or to indulge an entire meal.

The setting is ideal. One can always count on cleanliness, top quality, dedicated service and solid comfort. You can be in the midst of the activity or find a quiet corner if that is what you seek.

Towne Deli's food is always of one standard . . . superb. All the items common to the finest delis are here. So, morning, afternoon or evening take a Towne Deli break . . . it is always more than an eating experience. You'll like it!

Solicitors For ABC To Meet

More than 40 volunteers who will conduct a campaign for funds to continue the A Better Chance program here, will meet Tuesday night at 8 p.m. at the ABC House, 134 Main St.

Dave Corbett, along with Doug Mitchell and Bill Washburn, will lead the kick-off session.
